Very Reverend Mgr. William J. Hickey

Sacred Heart Church  
Vineland, N. J.

Very Reverend and dear Monsignor

I am pleased to inform you that on this joyous occasion of the celebration of the Seventy-fifth Anniversary of the founding of the Parish of Sacred Heart in Vineland, New Jersey, our Most Holy Father, Pope Pius XII, has very graciously deigned to bestow his special Apostolic Benediction upon you, the Pastor, the priests and religious associated with you in your work, the faithful and friends of the Parish who join in celebrating this memorable Jubilee.

This Blessing is granted as a token of the paternal affection of His Holiness in recognition of past devoted service to the Divine Master and as a pledge of heavenly favors for the years which lie ahead.

While conveying to you this urgent message of the Sovereign Pontiff I wish to add my own personal greetings and good wishes.

With sentiments of esteem and with renewed felicitations, I remain

Sincerely yours in Christ,

The Very Reverend William J. Hickey, S.T.D.  
Sacred Heart Rectory  
10 North Myrtle Street  
Vineland, N. J.

Dear Monsignor Hickey,

It is with the utmost satisfaction that I learn of the approaching celebration of the Seventy-fifth Anniversary of the founding of Sacred Heart Parish, Vineland. Since 1874, when the Parish was founded, a long period of fruitful service, directed to the honor and glory of God, has been fulfilled. The beginnings were simple ones; but progress has kept step with the years. We now look upon a great Parish, well organized and finely equipped. It is true that something remains to be done. I refer to the need of a possible addition to the School and to the need of a new Convent.

However, it is more fitting on an Anniversary day to look back over the past. What we see is vastly unimpressive. One thinks of the very great number of persons who have found the Parish Church the portal of Heaven. One remembers the innumerable instances in which the Sacraments were administered. One recalls the considerable body of instruction given to successive generations. For these and many other reasons, Sacred Heart Parish, Vineland, is a source of consolation to the Bishop of the Diocese who professes himself greatly satisfied by what he knows to have been accomplished in Vineland. The Bishop therefore joins himself to the Very Reverend Pastor, to the other Priests, to the Sisters and Faithful of the Parish, in returning thanks to Almighty God for His bounteous blessings to all.

May the Parish continue to prosper and every day of its existence increase the honor of the Catholic name, already so well established by what has been done in the seventy-five years of a glorious past.

Sincerely yours,

*+John Thomas Ford*  
Bishop of Camden

# EVERYWHERE IN THE OBSERVATION OF HOLY YEAR

"We shall spare no effort to cause the Catholic Religion to shine also upon distant peoples and to have the Shadow of the Cross in which are Life and Salvation, fall upon the remote areas of the earth" (Pope Pius XII).

# WE TAKE PRIDE

Very humble were the beginnings of our parish. Its members were simple, hard working, God-fearing folks, possessing little of this world's goods. Yet, nurtured by a strong faith, there grew from such origins a new SACRED HEART, such as we know today.

# IN THE PROGRESS OF SACRED HEART

Awaiting the fulfillment of a long-cherished dream,—our proposed new Convent

Erected in 1884, this quaint abode welcomed the Sisters of St. Joseph who came to care for us at Sacred Heart in September, 1921.

THE RECTORY—Home of our priests, Monsignor Hickey and his able curates, an essential part of Sacred Heart.

## AND ITS STANDING IN A

On his way from school, Mr. Le Boeuf, our Physical Instructor, has Landis Avenue to himself.

Serene, stately, and mellow with age, these Jersey Pines placidly view our school life, from behind their leafy screens of tall trees lining our favorite walks and haunts.

# FINE COMMUNITY

THE ARMORY—exclusive and inviting scene of our social activities especially the "Graduation parties."

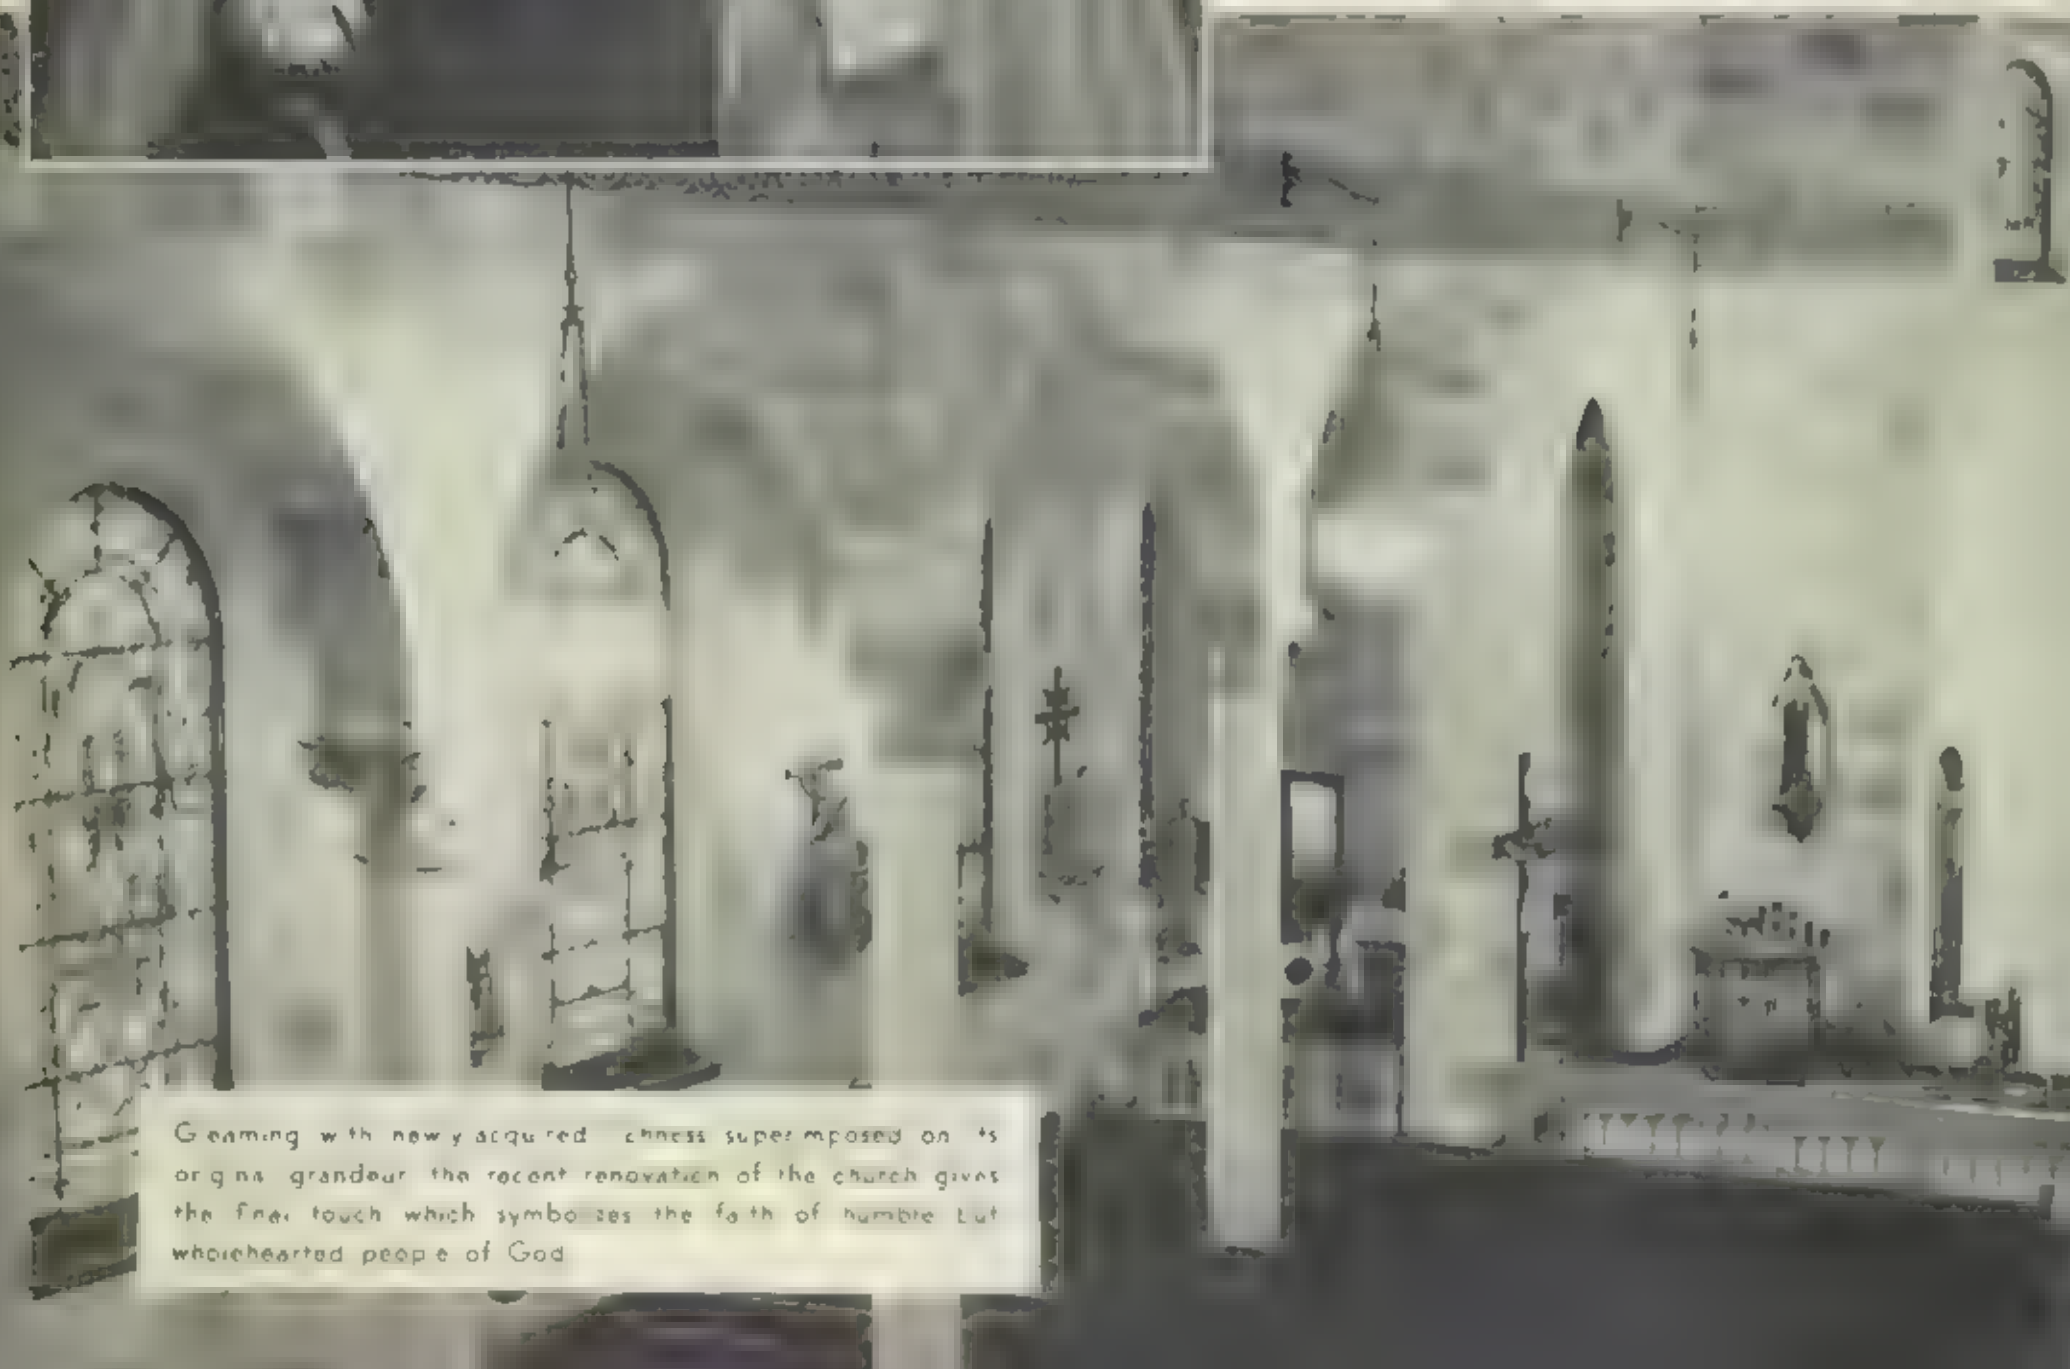

AN EYEFUL OF BEAUTY—  
we pass buildings such as these  
on our way to school.

# THIS PROGRESS

HIS EXCELLENCY  
The Most Reverend  
Bartholomew J. Eustace, S.T.D.  
First Bishop of the Diocese of Camden

Gracing with newly acquired richness superimposed on its original grandeur, the recent renovation of the church gives the final touch which symbolizes the faith of humble but wholehearted people of God.

# IS EXEMPLIFIED BY HER LEADERS

For the past twenty-seven years, our esteemed pastor, Very Reverend Monsignor William J. Hickey, S.T.D., V.F., has tirelessly devoted his life to the service of God and the care of souls. Fortunately, for us, the last thirteen years have been spent here at Sacred Heart Parish where we, the students of Sacred Heart High School, have been the grateful recipients of his ever watchful and tender devotion. Every one of these years has seen the ever-increasing progress, spiritual and material, of both parish and high school. And today, he stands triumphant within the everbrightening glory of its centenary in future years.

Very Reverend Monsignor  
William J. Hickey, S.T.D., V.F.

Of all the things in high school days

Is just plain having Fun! For  
The parties and the dances,  
The socials and the chats  
The movies and chic hats—  
The musicales and dramas—  
And everything we pay  
Is seasoned leadership  
In a cultured, friendly way!

. . . IS CARNIVAL TIME

A collage of 15 black and white photographs from the 1920s, showing various scenes of people, mostly young women, in social settings, portraits, and group shots. The photos are arranged in a grid-like fashion, with some overlapping. The subjects are dressed in typical 1920s fashion, including flapper-style dresses, cloche hats, and long coats. The settings range from indoor social gatherings to outdoor group portraits. The overall tone is nostalgic and captures the social life of the era.

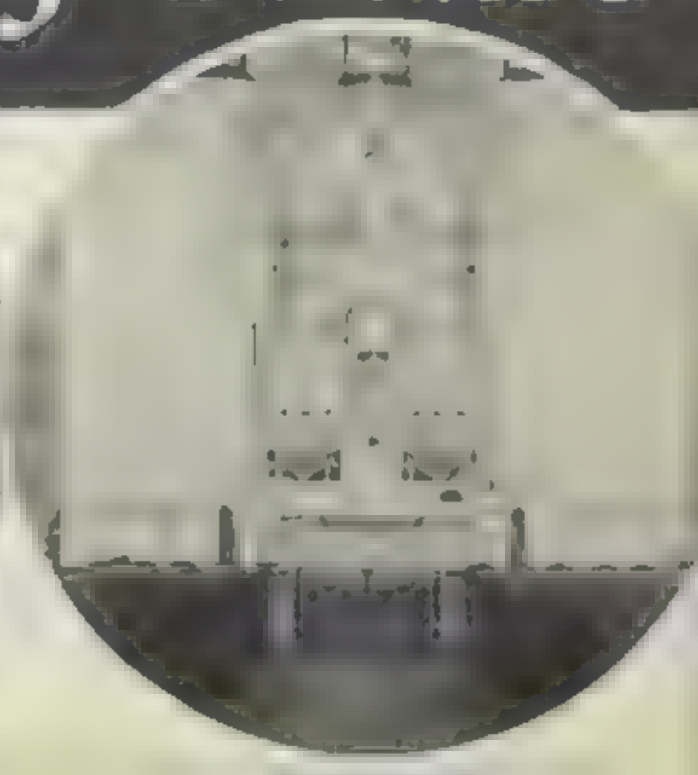

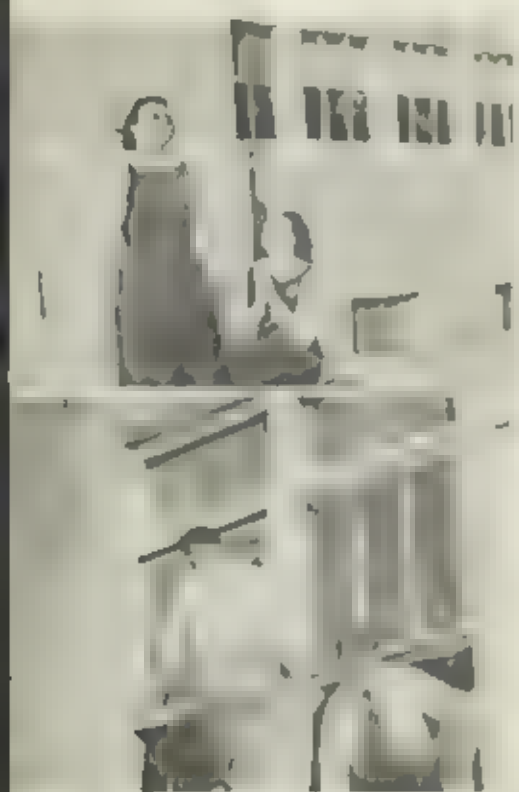

# STANDARDS OF LIVING

HOW TRUE IT IS THAT:

" 'One ship drives east and another drives west  
With the self-same winds that blow;  
'Tis the set of the sails and not the gales  
That determine whither they go.

" 'Like the wings of the sea are the ways of fate,  
As we voyage along through life;  
'Tis the set of the soul that determines the goal  
And not the calm or the strife.' "
